

TAX PREPARATION

At Hartwig, Norman & Shannon LLP, we offer expert tax preparation services designed to meet the needs of both individuals and businesses. Whether you are filing personal taxes, managing commercial tax filings, or navigating both state and federal tax requirements, our team of experienced professionals is here to ensure your returns are accurate, timely, and optimized for the best possible outcome.

While we primarily specialize in Wisconsin tax returns, we are also fully equipped to handle tax filings for other states. Our team is well-versed in the unique tax laws of multiple states and can guide you through the complexities of filing both in Wisconsin and beyond. We ensure that your tax returns are filed accurately, no matter where you reside or where your business operates.

For individuals, we focus on maximizing deductions, credits, and refunds while keeping you fully compliant with tax laws. For businesses, we provide comprehensive commercial tax services, including tax planning and preparation, helping you navigate the intricacies of both state and federal taxes.

Whether you are a Wisconsin resident or operate in multiple states, Hartwig, Norman & Shannon LLP is here to help you manage your tax filings with confidence. Contact us today to schedule a consultation and learn how our expert tax preparation services can benefit you.
